ST. MARY'S COLLEGE OF PHARMACY

St. Mary's College of Pharmacy, a beacon of hope and fountain of blessings, welcomes you to the wide and vast world of knowledge.

St. Mary's College of Pharmacy is located in the heart of Secunderabad. Set on a beautiful campus, the college is a harmonious blend of open spaces and built environment.

The college is well connected to the to different parts of Twin Cities. It is only a furlong away from Secunderabad Railway Station.

The college offers students an ideal environment to explore their creative and learning abilities.

The Archdiocese of Hyderabad runs its educational institutions under the banner of **Hyderabad Archdiocese Educational Society."** The principal purpose of the society is to impart quality education to students of every community for their all-round development by employing value-based methods in order to prepare them for healthy competition, committed leadership and responsible citizenship and thus share in the country's efforts in formal education.

WE BELIEVE IN...

- ◆ Promoting the highest standards of academic excellence.
- ◆ Fostering the holistic development of the youth.
- ◆ Fostering in students a sense of their own individuality, identity and self-worth.
- ◆ Fostering in youth a strong moral and ethical character.
- ◆ Fostering in students the ability to think and express themselves with empathy, precision, clarity, confidence and imagination.
- ◆ Encouraging the IB methodology with a fine balance of subjects and teaching methods appropriate to the Indian milieu.
